Dear Stakeholder:

Once again, thank you for agreeing to participate in the Stakeholder meetings for the purpose of providing options and recommendations for amending the proposed Chesapeake Bay Preservation Act ("CBPA") amendments to address concerns identified by Stakeholders. The first Stakeholder meeting will be held on Tuesday, November 9, 2010 from 7:00 p.m. to 9:00 p.m. at Ida Lee Recreation Center in the Lower Level Meeting Room, located at 60 Ida Lee Drive Northwest in Leesburg.

Attached to this e-mail, please find the following: 1) the proposed agenda for the November 9 meeting; 2) the Issues Matrix; 3) a list of the Stakeholder Groups with the name of the representative; and 4) a list of the Homeowner Associations that have notified the County of their participation, along with the name of their representative. Please note that the intent of the Issues Matrix is to serve as a starting point to help facilitate the discussion of the various issues that have been raised to date regarding the draft CBPA amendments. It is expected that the Stakeholder participants will have on-going edits to this Matrix to include the addition and/or deletion of issues, options and consideration factors. It would be helpful if you can review the Issues Matrix and bring any initial edits to the meeting on November 9. Staff can include your edits and distribute them in a revised Matrix prior to the next meeting. It is also the intent of the Issues Matrix to serve as a way of documenting the stakeholder discussion of the issues and the stakeholder and staff recommendations for consideration by the Board of Supervisors.

We look forward to seeing you on November 9 to begin this important effort. Please feel free to contact me if you have any questions. We look forward to seeing you on November 9th.

Sincerely,

Mark Stultz
